 Ingredients: Alcohol Aqua Minoxidilium 5%, Propylene Glycol, Estrogen, Trifolium Pratense, Humulus Lupus, Seronoa Serrulata, Menthol, Piroctone Olamine, Methyl Nicotinate, Azaleic Acid Compound, Coffeinum, Taurine.
 Directions: Apply 2 ml directly to a clean, dry scalp daily or as directed by your practitioner.
- 2 LASER REACTIFY COMPLEX 2% - SYNERGISTIC WITH LASER THERAPY 60ml**
 The Advanced Hormone formula reduces the amount of active DHT with additional 5 Alpha Reductase Inhibitors, Seronoa Serrulata, Azaleic Acid Compound and Coffeinum having synergistic effects on controlling hair loss and increasing hair density.
 Ingredients: Alcohol Aqua Minoxidilium 2%, Propylene Glycol, Estrogen, Trifolium Pratense, Humulus Lupus, Seronoa Serrulata, Menthol, Piroctone Olamine, Methyl Nicotinate, Azaleic Acid Compound, Coffeinum, Taurine.
 Directions: Apply 2 ml directly to a clean, dry scalp daily or as directed by your practitioner.
- 3 ANAGEN BOOSTING SERUM - SYNERGISTIC WITH LASER THERAPY 60ml**
 An Oestrogen rich herbal complex that increases the Anagen phase of the hair growth cycle. Formulated for Female Pattern Hair Loss and Post Menopausal Hair Loss. Increasing the growing phase of the hair inversely decreases hair shedding.
 Ingredients: Aqua, Alcohol, Propylene Glycol, Benzalkonium Chloride, Trifolium Pratense, Humulus Lupus.
 Directions: Apply 1 ml twice daily to a clean dry scalp or use as directed by your practitioner.
- 4 DHT INHIBITOR - NEW ADVANCED FORMULA 90 Capsules**
 Contains natural 5 Alpha Reductase Inhibitors in multi herbal micro nutrient with a minimum of 45% Fatty Acids. A high potency formulation with Seronoa Serrulata providing anti-androgen benefits for Hair Loss intervention.
 Ingredients: One tablet will typically provide, 5 Alpha Reductase Inhibitor 250mg Seronoa Serrulata equivalent to 2500mg of dried berries providing a minimum 45% Fatty Acids.
 Directions: Two tablets daily with food as directed by your practitioner. Manufactured to GMP code of practise and BS EN9001: Quality Assured Certification.
- 5 ULTRA GROWTH COMPLEX - SYNERGISTIC WITH LASER THERAPY 100ml**
 This Phyto-Oestrogen herbal complex helps block hair loss factors in both Men and Women. Stimulants within the tonic encourage hair growth. This advanced formula is particularly useful for diffuse hair loss, patchy hair loss, and provides an alternative to Minoxidil treatment regimen. Formulated to strengthen hair, stimulate follicles and bring back natural vitality.
 Ingredients: Alcohol, Aqua, Menthol, Glycerol, Humulus Lupus, Trifolium Pratense, Seronoa Serrulata, Piroctone Olamine, Menthl, Nicotinate.
 Directions: Apply 7-10 sprays to the thinning area of the scalp once a day.
- 6 MAXIMUM GROWTH SHAMPOO - SYNERGISTIC WITH LASER THERAPY 200ml**
 Trichological formulation which keeps the hair and scalp in optimum condition. Regular use can increase hair density and reduce hair loss. Gently cleanses and conditions. Ideal for all types of hair. Excellent for hair that has been transplanted. Eradicates dandruff and scalp irritation.
 Ingredients: Aqua, Monoethanolamine Alkyl Sulphate, Amidoalkylbetaine, Piroctone Olamine, Rosemarinus Officinalis, Benzyl Alcohol, Dehydroacetic Acid, Parfum.
 Directions: Apply shampoo to pre-dampened hair, massage well into scalp. Leave for 3 minutes then rinse well.
- 7 MENTHOLATED GROWTH SHAMPOO - SYNERGISTIC WITH LASER THERAPY 200ml**
 An ultra mild shampoo with Kappa Opioid Receptor Agonist properties containing Mentha Piperita and Menthol to help promote stimulation of the capillary blood flow to the hair bulb. Regular use will improve scalp condition by reducing excess sebum and will produce ideal conditions for healthy hair growth.
 Ingredients: Aqua, Monoethanolamine Alkyl Sulphate, Amidoalkylbetaine, Mentha Piperita, Menthol, Benzyl Alcohol, Dehydroacetic Acid, Parfum.
 Directions: Apply shampoo to pre-dampened hair, massage well into scalp. Leave for 3 minutes then rinse well.
